PAC-KONG

SS-003

PAC KONG

Game Description

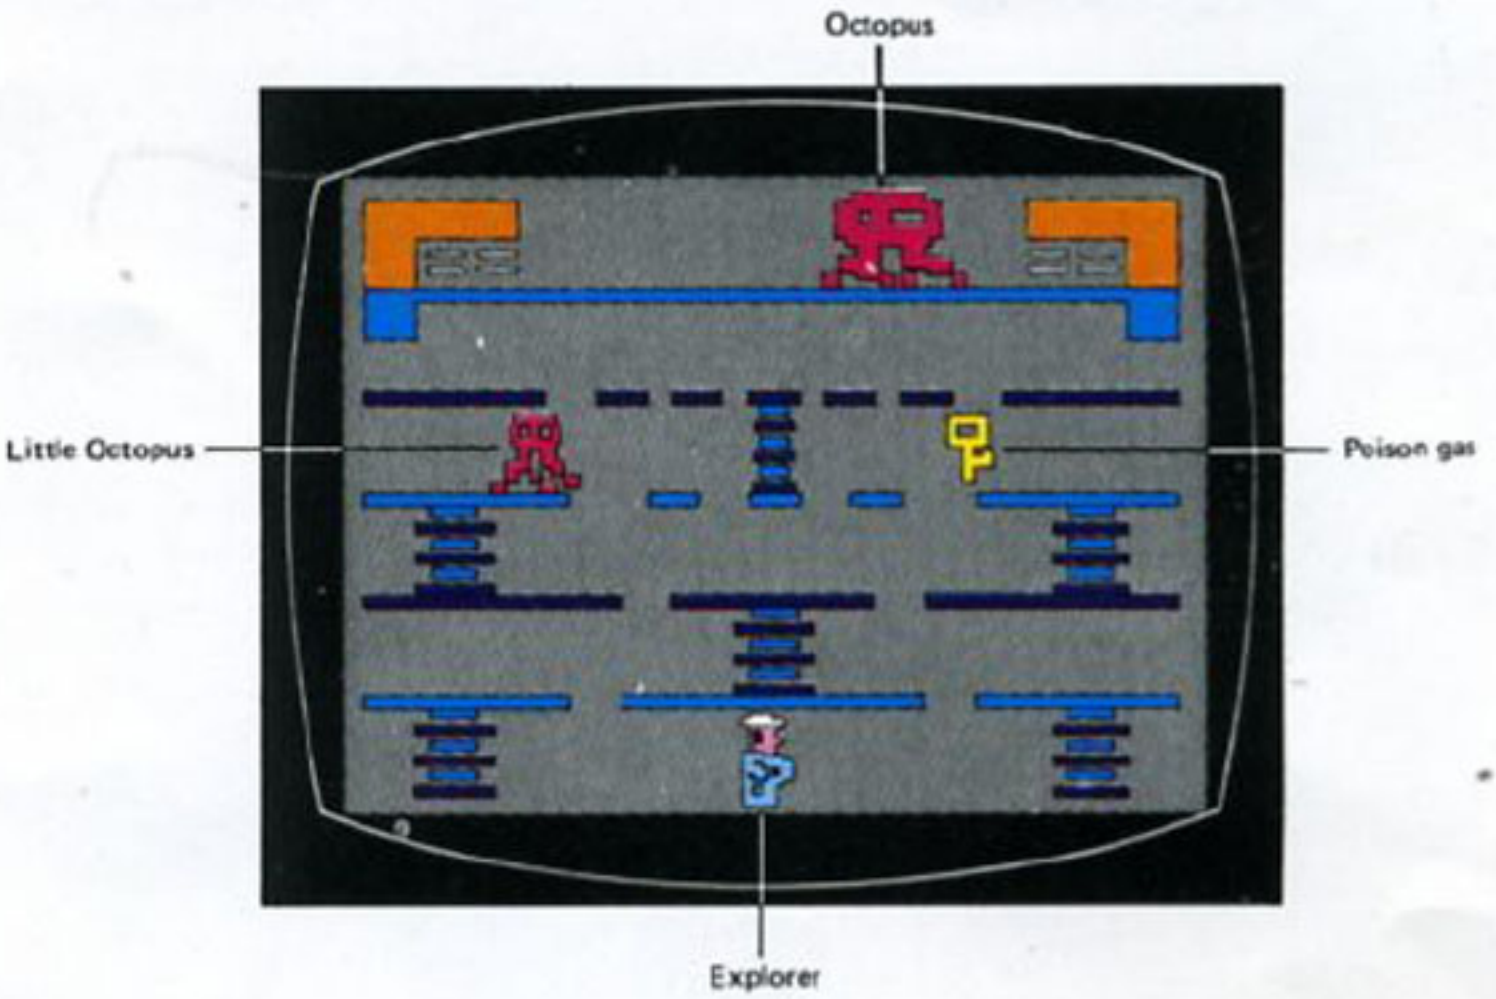

The big octopus prevents the two treasured boxes in a high tower from being stolen. An explorer trys to get the boxes. The big Octopus will bear many little octopi with poison gas. If the explorer smells the gas, he will be dizzy and fall down.

. The explorer must get up to the top in 100 seconds, or he will die

. Just when the explorer gets up to steal the box, a new video appears.

. The poison gas blows through the five stories in a random way.

. The explorer has five chances to get the treasured boxes.

Preparation Steps

Step 1: Check to be sure that the Video Computer System is connected

to the TV, the power supply is plugged in, and a controller is plugged into the left jack at the rear of the Video Computer System.

Step 2: Insert a game Cartridge and then turn on the switch. (Caution: the switch should be turned off at all times when there is no cartridge in the console.)

Step 3: Select the game with the Game Select Switch and start the game by switching the Game Reset Switch.

Using the Controller

. As you control the joystick up, down, right, and left, the explorer walks up, down, right, and left.

. Press the red button, and the explorer jumps up.

Scoring

The higher the explorer gets, the greater the scores. If the explorer falls down from the third story, he earns 330; the fourth, 440; the fifth, 550; if he reaches the top to get the box, 999.
